LOL	Freezzz Beezzz	2	2	2	3	2	11	There was a pick call which was controversialy, and we discussed a lot. So, after the call our player stopped, therefore he did not catch the disc. The call totally affected the play because: -the pick was called on our player - he heard it and immediately stopped - the thrower made an uncompleted pass According to you it was a turn, accordig to us it wasnt. Finally it was decided to be a turn. As per the rules it could not have been a turn
