Quarter finals

The quarter finals in Open Division 1 featured 8 top teams who fought their way through the weekend to make it there. No team had an easy ride towards quarters, but 3 of the 4 eventual winners convincingly overclassed their opponents. French national champions Thcac got off to an early lead against CUSB La Fotta and never gave the game away. Bad Skid had a little trouble finding their A-game in the first few points against one of their main german rivals Heidees, but quickly recovered and ran off with a 6 point lead. This game looked like a final of the german national championship but Heidees seemed to have missed the appointment. In another game that seemed like a national final, Freespeed closely managed to defeat the former european champions FAB. Freespeed took an early 4-1 lead after which the Angels finally got their game on to tie the game at 6-6. Both teams scored their next offensive point only to make it to universe point at 7-7. FAB had the disc in hands but a floating huck sailed too far and Freespeed immediately capitalised

on the mistake to win the game, and their semi finals ticket at 8-7. In the last quarter final Cota Rica Grandes couldn't quite keep up with Frizzly Bears. Sure seems like it cannot be a coincidence that Germany had 3 teams in quarter finals of the open division, as we all know this country is on the rise.

In the womens division the french national team took a 2-0 lead over Copenhagen Hucks in a very windy game. The Hucks received the wake-up call well and immediately answered with 5 points in a row to make it 5-2. The wind was a real disturbing factor in this not so pretty game as the quarter final actually ended 5-4 in favour of the danish. Last year's winners CUSB Shout traded points with the Western Ladies from France in the beginning of their quarter final, but with some big hucks and even bigger layouts the italian girls showed why they took home the trophy last year. Gentle Ladies from Belgium unexpectedly had a walkover game against MICZ. To quote Anouk from Gentle: „we played with the wind but the wind didn't play with us.” Last year's XEUCF silver medalists U de Cologne had no real troubles in their quarter

final and set TILT aside with a double score of 10-5.

In Open Division 2 the Blue Arse Flies had a convincing win over Helgtre, as did Play over Ah Ouh Puc and CUSB Zero51 over Breizh United. Only quarter final with a moderately tighter score was the 8-5 victory from Tercio Vieja Guardia over Phoenix Montroque.
